

SCAM Meeting Minutes

1-07-08

Meeting was called to order @7:33 PM . 18 members were present.

A letter of appreciation from the Hospital auxiliary was distributed for reading to the members present.

A short discussion concerning the web site ensued. It was decided to rethink the December meeting decision to close down the current web site and we will continue with the website as is with the understanding that the website will be kept up to date and the President can input data into it without problems. Approval was given to pay the \$95.40 site fee.

The "disaster" event by the police where they blew up cars etc was talked about and that if we are asked to leave to not give people a hard time.

Changes to the club documents that have been discussed in detail over the last 4 months were approved by a vote of 18/0.

Disposal of old club records was discussed and it was decided that all documents newer than 5 years and all rosters, club financial documents, and lease arrangements since the club inception would be kept. All other documents would be shredded.

Central Penn Modelers (Lebanon PA) is having their flea market on March 8th and Westminster Aeromodelers is having their flea market on February 9th.

It was agreed that it would be nice to have a family day at the field. Volunteers were Ralph, Al, Don, Dennis (Dennis, Don volunteered you) and Tom B for sodas. No one was selected as the coordinator. Date to be discussed at a later meeting. Food to be pot luck.

Meetings will continue to be held at the field for the summer, weather withstanding.

Pins for 2.4 GHz will be provided in the near future and they will be black in color. Joe P will provide 10 to 20 more sleeves for 2.4 GHz use. The door to the pin box will be repaired before summer.

Field cleanup day will be April 5th (first Saturday in April) at 10:00.

It was mentioned that there were supposed to be modifications to the shelter done a years ago to allow for more shade. Further discussion will be needed to make sure it complies with hospital requirements.

Show and tell: Joe Portera returned with his FW 190D that he displayed bare bones at the December meeting. This time it was covered with Century Coverlite flat covering and painted in a camouflage 3 color scheme that matched the box graphics. The model gained an entire lb during the covering/painting process. The model is so pretty that it is a shame to fly it. Great job!!!

The meeting was adjourned at 8:27
